Aldo Coppola Hairstylist Showroom

The "Academy" of famous hairstylist Aldo Coppola now presents the latest hairstyle trends in ERCO light.

In his "Academy", celebrity hairstylist Aldo Coppola teaches franchise owners the latest styling techniques. Optec spotlights illuminate the all-white entrance area; in the hall, a DALI Light System controls both Emanon projection spotlights fitted with Goborotators and Focalflood varychrome floodlights. The Focalflood LED modules with RGB adjustment provide a broad range of colour nuances for scenographic illumination.
