

New York Public Library, Stephen A. Schwarzman Building

Architect: Carrère and Hastings (original building), Wiss Janney Elstner Ass., Inc.
(restoration)

Lighting designer: Claude Engle Lighting Consultants

Photographer: Julia Cawley, New York

Project location: New York

The art deco book palace defines New York's cityscape and has appeared in countless movies. To mark its 100th birthday, the building was renovated and provided with new lighting - using ERCO spotlights mounted in unusual places.
