

Municipal Gallery Bietigheim-Bissingen

Architect: Gert Bechtle, Hans Kammerer, Bietigheim
Lighting designer: Elektroplan Ingenieur GmbH, Göppingen
Photographer: Dirk Vogel
Project location: Bietigheim-Bissingen

In the heart of the city's historic district, Gert Bechtle and Hans Kammerer have created an architectural environment that is home to changing exhibitions on close to 1000 square metres. Light Board effectively illuminates the exhibits in these changing exhibitions.
