

Stiefelkönig shoe shop

Architect: Mag. Hans Michael Heger, Graz
Lighting designer: Vedder Lichtmanagement, Munich / Mitterberg
Photographer: Gustavo Allidi Bernasconi, Vienna
Project location: Vienna

The long-established brand in Austria's shoe market presents itself with a younger new look on Vienna's Mariahilfer Straße shopping mile: clear and clever presentation, expressive surfaces - and 100% LED light! ERCO's Light Board LED spotlights take a leading role in the lighting concept.
